

# SRE Network Community Investments

## A Cumulative Overview of Our Grantmaking

---

### 2018 - 2022

SRE Network is a network of over 160 Jewish organizations rooted in a shared commitment to safety, respect, and equity-for all. We inspire meaningful change in workplaces and communal spaces by bringing people together to address gender-based harassment, discrimination, and inequity. Our work is focused on building community, research & learning, and strategic community investments, using an intersectional lens of gender justice.
